## WELLNESS & RECOVERY TREATMENTS

### ALTITUDE ADJUSTMENT – \$187

The Altitude Adjustment iV Treatment is designed to rehydrate your body and combat fatigue caused by dehydration. When coming to high elevations dehydration is a common occurrence and a symptom that can lead to more significant effects of altitude sickness. If you are already experiencing symptoms of altitude sickness, replenishing fluids and nutrients helps alleviate symptoms and help your body recover quicker.

### INNER BEAUTY – \$195

The Inner Beauty iV Treatment is designed to help bring out radiance and natural glow. It fortifies skin, hair, and nails, reduces wrinkles, and quenches your skin from the inside out. This treatment is great for regular treatments or perfect for a girl's day in!

### HANGOVER REBOOT – \$198

The Hangover Reboot formula works to replenish your body and combat those hangover-related symptoms such as headache, nausea, and dehydration. This treatment helps you reset after a long night out by flushing out toxins, restoring lost nutrients, delivering fluids, and medication to help prevent nausea and vomiting.

### IMMUNITY BOOST – \$225

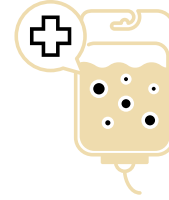

The Immunity Boost iV Treatment is designed to boost your immune system, reduce the impacts of illness, and recover quicker after getting sick, by enhancing cellular function and the conversion of nutrients.

### ATHLETIC RECOVERY & PERFORMANCE – \$255

The Athletic Recovery & Performance treatment is designed to enhance recovery after strenuous physical activities such as a hard workout, endurance training, long hikes, or an intense day on the slopes. The combination of fluids, a Vitamin B Complex, a blend of Essential Amino Acids, Ascorbic Acid, and the Essential Mineral Blend are necessary to aid in the body's response after physical activity has generated toxins and drained the body of its natural hydration and salts.

### MYER'S COCKTAIL – \$294

The "Myer's Cocktail" is the gold standard of delivering vitamins and minerals directly to your bloodstream. It's a comprehensive iV therapy which is commonly used to treat a wide range of clinical conditions, along with preventive care to promote overall health and wellness. Some examples of clinical conditions which the Myer's Cocktail may help improve migraines, asthma, chronic pain, and seasonal allergies.

### ADD ON'S

#### GLUTATHIONE – \$75

Glutathione protects cells from free radical damage and helps improve cellular function. Glutathione is a great add to your iV treatment and is administered with an additional 500ml of fluids!

#### AMINO ACID BLEND – \$35

This blend of Essential Amino Acids are critical in enhancing athletic performance through recovery, decreasing muscle loss, burning fat more quickly, and improving metabolism speed.

#### B-12 – \$30

Methylcobalamin B12 is a key component of overall nerve, brain, and cellular health. It increases energy and alertness by promoting healthy nerve function, blood cells, and muscle cells.

#### VITA B COMPLEX – \$30

This Vitamin B Complex includes B1, B2, B3, B5, and B6. These B vitamins keep skin and blood cells healthy and aid in converting nutrients into energy, having a direct impact on your energy levels, brain function, and cell metabolism.

#### TRI-IMMUNE BOOST – \$35

The Tri-Immune boost consisting of Glutathione, Ascorbic Acid, and Zinc Sulfate; strengthens your body's immune system and enable it to better avoid illness, overcome illness quicker, and feel less symptoms of an illness.

#### ANTI-NAUSEA BOOST – \$35

Ondansetron, commonly known by its brand name of Zofran, is medication used to help prevent nausea and vomiting, and alleviate the symptoms associated with nausea.

#### TORADOL (PAIN RELIEF) – \$30

Ketorolac, commonly known by its brand name of Toradol, is a medication used to help relieve aches and pains such as headaches and muscle aches.

#### BIOTIN – \$30

Biotin is one of the B Vitamins (Vitamin B7) which fortifies keratin infrastructure and is known to promote healthy hair, skin, and nails.

#### ADDITIONAL FLUID – \$50

For some extra hydration, add an additional 500ml bag of fluids to your hydration treatment.
